Re: Freedom of Information Act Request  
EPA-R5-2019-004890

Correspondence from former EPA Region 5 Administrator Valdas Adamkus to former U.S. Senator John Glenn, with specific interest in the letters dated December 18, 1990, and March 25, 1991, (including the attached technical reports on activities at the Industrial Excess Landfill, a Superfund site in Uniontown, Ohio)

Dear Mr. Schwartz:

This is the Superfund & Emergency Management Division's response to your April 9, 2019, Freedom of Information Act (FOIA) request to the U.S. Environmental Protection Agency.

EPA is currently transitioning to an updated version of FOIAonline. EPA will be providing the records responsive to your request through the FOIAonline system. An index of the records granted by the Superfund & Emergency Management Division is enclosed with this letter.

If you have an account in FOIAonline, you can log in to retrieve your records and invoice. If you do not have an account, it may take several weeks before you are able to retrieve your records in the FOIAonline database. In this case, with your permission, we can email the records to you. Please contact our FOIA Officer, Kaushal Gupta at [Gupta.Kaushal@epa.gov](mailto:Gupta.Kaushal@epa.gov) if you would like to request to have your records emailed. We apologize for any inconvenience this may cause.

No charge is applicable for processing your request.

This letter concludes our response to your request. You may appeal this response by email at [hq.foia@epa.gov](mailto:hq.foia@epa.gov), or by mail to the EPA's National FOIA Office, U.S. EPA, 1200 Pennsylvania Avenue, N.W. (2310A), Washington, DC 20460. Only items mailed through the United States Postal Service may be delivered to 1200 Pennsylvania Avenue. If you are submitting your

appeal by hand delivery, courier service, or overnight delivery, you must address your correspondence to 1301 Constitution Avenue, N.W., Room 5315, Washington, DC 20001. Your appeal must be in writing, and it must be received no later than 90 calendar days from the date of this letter. The Agency will not consider appeals *received* after the 90-calendar-day limit. Appeals received after 5:00 p.m. EST will be considered received the next business day. The appeal letter should include the FOIA tracking number listed above. For quickest possible handling, the subject line of your email, the appeal letter, and its envelope, if applicable, should be marked "Freedom of Information Act Appeal." Additionally, you may seek dispute resolution services from EPA's FOIA Public Liaison at [hq.foia@epa.gov](mailto:hq.foia@epa.gov) or (202) 566-1667, or from the Office of Government Information Services (OGIS). You may contact OGIS in any of the following ways: by mail, Office of Government Information Services, National Archives and Records Administration, Room 2510, 8610 Adelphi Road, College Park, MD 20740-6001; email, [ogis@nara.gov](mailto:ogis@nara.gov); telephone, (202) 741-5770 or (877) 684-6448; or fax, (202) 741-5769.

Please contact Portrice Vernon at (312) 353-1063 if you have any questions concerning this response. All other concerns should be directed to Evette Jones, Chief of the FOIA and Records Management Section, at (312) 886-7572.

Sincerely,

  
for

Douglas Ballotti  
Director  
Superfund & Emergency Management Division
